

TIMBER MESA FIRE AND MEDICAL DISTRICT

Inviting Applications For
BATTALION CHIEF

A GREAT OPPORTUNITY

The Timber Mesa Fire and Medical District, located in the beautiful White Mountains in east central Arizona, is seeking a dynamic and progressive leader for the position of Battalion Chief. TMFMD is in pursuit of an experienced and knowledgeable fire officer to provide an exemplary level of Fire and Emergency Medical services. If you would like to be a part of a leadership team working to create a culture of excellence and professionalism in a newer organization, and you have a proven track record in effectively managing both people and projects, we invite you to apply

TIMBER MESA FIRE AND MEDICAL DISTRICT

TMFMD was formed as the successful result of collaborative efforts and merger of the Lakeside, Show Low, and Linden Fire Districts. Those three Districts each had between 50 and 60 years of public service history within their respective communities; their history began with the hard work of dedicated volunteers, working with little resources and more determination than experience. These first members of the three districts laid the foundations for what was ultimately to come.

In 2014, it was determined that by combining the efforts and resources of the three districts, the TMFMD could more effectively provide risk management, medical and fire suppression services to the communities in the White Mountains. In 2018, further expansion included the consolidation of the White Mountain Lakes Fire District into TMFD. Additionally, the Arizona Department of Health Services awarded TMFMD an expanded CON, which resulted in the District now providing ambulance services in the communities of Lakeside, Linden, Show Low, White Mountain Lakes, Pinedale-Clay Springs, and a portion of Vernon.

The District provides a high level of emergency and customer service through the efforts of our highly trained and professional staff members. Our staff consists of 7 administrative members, 13 support personnel, three training staff, 72 full-time fire suppression personnel, 15 part-time reserve firefighters and a cadre of volunteer fire inspectors. Covering 240 square miles with an ambulance transport service area of 330 square miles, the District has grown to serve over 30,000 full time residents and a seasonal population

of 50,000 (est.). Operating out of five fully staffed fire stations and five unstaffed stations, the District provides fire protection and emergency medical services, inter-facility ambulance transport, hazardous materials response, technical rescue, public education and fire prevention. Deploying daily staffing of 24 Fire/EMS personnel, TMFMD responds to approximately 4500 calls per year.

With an operating budget of \$11.49M, the District is financed by property taxes assessed within the District, as well as ambulance transport and wildland response revenues, Fire District Assistance Tax, and other various contract service fees.

MISSION

The Timber Mesa Fire and Medical District is a public service organization dedicated to proactive efforts to reduce risks in the communities of the White Mountains and protect our customers' lives and property.
