-------------	--	--

**NOTES:**

-

**Response fee schedule applies to out-of-district services only.** Defined as: services provided outside the Districts boundaries, where not otherwise governed by a written agreement or contract with the District, or protected by a legally established public fire agency, will generally be charged to the property owner, insurance carrier, private company service provider, patient and/or other responsible parties, based on rates of the District's current approved fee schedule.

- Fee schedule applies to billable mutual aid responses

- Emergency Response:

**DFFM Agreement# AZ-TBM-2022-01**

- \*\*Minimum of 1 hour, with an automatic 1 hour rehab added
- After the first hour, all hours will be prorated to the closest quarter hour
- Based on the current DFFM equipment contract
- Includes a 7% out of district (maintenance) fee for incidents of more than 3 units
- Includes a 7% consumable (supplies) fee for equipment used during responses of more than 3 units
- Includes a \$250 per unit fee for unit availability

- \*\*\*Personnel costs:

**TMFMD Wage Scale: 2023- 11.5% COLA**

- Calculated 90th percentile of the corresponding position on the current approved TMFMD wage scale (step 10)
- \*\*\*Minimum of 1 hour, with an automatic 1 hour rehab added
- After the first hour, all hours will be prorated to the closest quarter hour
- Average of unit staffing, example: Engine = 1 Captain, 1 Engineer, 1 Firefighter  
Average 90th% + ERE = \$37.93

- \*\*E.R.E (Employee Related Expenses) @ 30%

- Includes rounded PSPRS, Medicare, and Workers Compensation rates

- Billing:

- Includes a \$250 billing fee for all out of district billed responses
- Not included in Standby/Special events and Investigations/Prevention activities
